HID DIAMONDS IN SHOE.

CHICAGO, Dec. 29.—Mrs. F. L. Towner, a Hyde Park resident, had an uneasy half hour last night while she frantically searched for diamonds which she had hidden in her shoe.

Mrs. Towner gave the shoes to her father to take to a shoe shining establishment. He had scarcely reached the place before she missed her diamonds. Search in the house and in the shoes at the shining establishment failed. Then she called the police. The gems were finally picked up in the corner of the shoe shining parlor by a detective. They were valued at \$200.

Woman Admits Throwing Infant From Car Window

AUBURN (Placer Co.), Dec. 29.—Mrs. C. W. Welshon, who was arrested yesterday in Oakland on the charge of hurling her new born babe from a train near Clipper Gap, this county, will be brought back to face a charge of infanticide. Her brother, John Rutledge, of Cortez, was with her.
Mrs. Welshon, who went to the Fabiola hospital in Oakland immediately after leaving the train, retracted the statements she made to

Detectives William Kyle and James Drew of Oakland. She told them that she had given birth to the child before boarding the train at Sparks, Nevada.
"I threw the babe through the window," said Mrs. Welshon to Sheriff McAuley and District Attorney Charles Tuttle of Auburn, who visited her yesterday. "But do not know whether it was alive or not."
Mrs. Welshon refused to divulge her motives for throwing the baby to death alongside the wheels of the train, but said that she originally intended to place the child in some home in Oakland for adoption.
There were no complications in regard to the birth and the body of the little mite appeared to be that of a healthy infant. The child weighed 8 or 10 pounds. Mrs. Welshon said that she was alone at the time the child was born and was unassisted by anyone.

Jail Now Holds George Graham Rice; Federal Court Refuses Bail

NEW YORK, Dec. 29.—George Graham Rice, who, with B. H. Schell and others, have been on trial in the United States circuit court for the last eight weeks, charged with misuse of the mails in an alleged scheme to defraud investors, was rearrested late yesterday afternoon on a bench warrant and committed to the Tombs without bail.
On his arraignment, his attorney protested that the government had no right to rearrest him and hold him without bail on an indictment for which he was at present standing trial. Judge Ray, however, replied that the warrant was issued "in the interests of justice," and ordered Rice locked up.
No official statement is forthcoming as to the cause of the rearrest of Rice. Last week an alleged attempt was made by George J. Byrne to bribe a juror in the case against Rice and Schell.

Byrne is under indictment and held in the Tombs in default of \$10,000 bail. From what is considered a reliable source, it was learned that since Byrne's arrest the department of justice has conducted a thorough investigation into an alleged conspiracy to bribe other jurors. It was said several other arrests may be expected shortly, but no names were mentioned.
While his lawyers tried in vain to secure his release by habeas corpus and other proceedings, Rice spent the day behind the bars in the Tombs protesting that he was a victim of government persecution. Shortly after court opened his counsel applied for a writ to show cause why Rice was not admitted to bail; but on objection of the district attorney this was refused.
Attorneys claimed the summary arrest of the defendants late yesterday was in the interest of justice.

WHOLE FAMILY WAS MURDERED BY THE FATHER IN ARKANSAS

LITTLE ROCK, Dec. 29.—Because he was in "deep despair," and "believed he and his family would be better off in heaven," James Grant clubbed his wife, five children and a stepson to death. Then he hanged himself some time last night. Hugh Grant, a 16-year-old son, the only remaining member of the family, discovered the bodies yesterday when he returned from a holiday celebration in a neighboring town. A note left by his father gave explanation.

DYNAMITE FOUND IN MANY PLACES

One Man Arrested With a Suit Case In His Possession Containing 72 Sticks of Dynamite and Fuses.

PITTSBURG, Pa., Dec. 29.—George Bridges, arrested Monday night at Monessen, a steel town near here, while carrying a suitcase containing seventy-two sticks of dynamite and fuses, was charged with larceny late yesterday by officials of the Henderson Coal company, who alleged the explosives were stolen from the company's magazine. The hearing at which Bridges promised revelations was postponed until today. When taken into custody Bridges claimed the dynamite was given him by a stranger, and said: "I will not take all the blame for this; the rest of them will have to take their medicine like me."

of the Home Colony settlement near Seattle, in which Caplan and Schmidt, alleged accomplices of J. B. McNamara, are said to have found refuge after the Times explosion.

ROCHESTER, Ky., Dec. 29.—Twenty-four sticks of dynamite, 12 caps and ten yards of fuse, packed in a case resembling a traveling bag, was found yesterday in the barn of McDonald & Hartman, dealers in contractors' supplies.

The police say they saw the bag in the hands of a stranger recently. Since the finding several months ago of explosives near the end of the railroad bridge crossing the Ohio river from here, said to have been placed by agents of the McNamaras, the bridge has been guarded by night.

CHICAGO, Dec. 29.—Fourteen sticks of dynamite with cap and fuse attached, were found among the timbers of the railroad approach to a bridge over the Mississippi at Thebes, Illinois.

STORES WILL BE CLOSED ON NEW YEAR'S

All of the stores and shops in this city will close on New Year's Day. This is the proper spirit. The proprietors and employees have much to rejoice over for the old year, now dying, and the new to be born. Everybody in Tonopah is so happy that it will take the Sabbath and the New Year to unwind their joy. On New Year's eve it would be well for all of our people to assemble on the main streets and have a grand jubilee celebration over the birth of the new child. "1912." What we started out to say was that all of the stores will be closed on Monday next, January 1, 1912.

He will be in Ohio from January 29 to 31 and will deliver half a dozen speeches.
CLEVELAND, Ohio, Dec. 29.—Senator Robert La Follette, speaking in his campaign for the presidency here last night, arraigned the trusts and gave enunciation to his ideas for a cure for the evil resulting from the present system (Continued on Page Four.)

BOYS FIND FORTUNE LEFT BY SPANIARDS MANY YEARS AGO

JACKSONVILLE, Fla., Dec. 29.—Guided by an ancient chart found in the ruins of a Spanish shell-house at Fort George Island, two boys of this city say they have unearthed a treasure worth about \$150,000. They say gold, silver and copper coins were found in a strong box. Those who have seen the coins say they are more than a century old.

REMEMBERED THE PRINTERS.

The Bonanza force was this morning remembered by a "Happy New Year" gift in the leaving at this office of two boxes of fine Havana cigars to "smoke up" on the New Year's day. The donors were the management of the West End and Halifax Mining companies. The gifts are appreciated by the force and as they smoke the cigars, they are heard to say, "Same to you, gentlemen, and many of them."

"BE HAPPY BUT BE QUIET" IS ORDER IN LOS ANGELES

LOS ANGELES, Dec. 29.—"Be happy but quiet," is the injunction Los Angeles must obey while bidding farewell to 1911, according to the police officials. No riot of mirth, or unseemly noises, no public singing or confetti throwing will be permitted.

Saloons will be closed as on every Sunday, and restaurants must cease selling liquor promptly at midnight. It was said that last year's celebration of the passing of the old year by Angelinos included an item at approximately \$61,775 for champagne and miscellaneous drinks.

AMONG THE RING FIGHTERS OF ALL DEGREES

NEW YORK, Dec. 29.—Carl Morris, the Oklahoma engineer, gained another rung in the "white hope" ladder by decisively outpointing Tom Kennedy, the New York heavy-weight, in a ten-round bout at the Empire Athletic club.

Neither of the white hopes showed any advancement toward their aspirations of wresting the world's championship from Jack Johnson. The heavier Oklahoma man, weighing 228 pounds, as compared with Kennedy's 215, is considered too slow. Kennedy's much praised footwork proved a disappointment. Morris outpointed Kennedy in an

SALT LAKE CITY, Dec. 29.—Jim Flynn of Pueblo knocked out Tony Caponi in the third round of a scheduled ten-round bout.

Caponi was outclassed from the moment he stepped into the ring and totally unable to hold Flynn at long range. Neither man showed speed, and not an effective blow was struck until near the close of the second round, when a left hook to Caponi's jaw staggered the middleweight and sent him to his corner looking worried. After a clinch at the opening of the third round, Flynn dropped Caponi with a left to the jaw. As he rose, a right to the jaw dropped him for the final count.

NEW YORK, Dec. 29.—Owen Moran, the English fighter, on arriving from England on the Olympic, sounded defiance to everybody in the lightweight division of pugilism.

"I've come here to make a match with Ad Wolgast," said Moran. "I hope to defeat him or any others who regard themselves as champions. To prove I am capable I will take on other men of Wolgast's class and deal with them first, fighting anyone at 133 pounds ringside."

OLDEST POLICEMAN ENGAGED.

WORCESTER, Mass., Dec. 29.—The oldest policeman in New England, William Streeter of this city, who recently celebrated his 76th birthday, will be married early next month to Mrs. Cecelia Amsten Sanborn of Los Angeles. She is 54 years old and well to do. Streeter has been on the police force 34 years, but probably will retire before his nuptials.

Spanish Army Reported Victorious In Morocco

MADRID, Dec. 29.—Advices from Melilla, Morocco, say that the whole Spanish army advanced yesterday and "repulsed and decimated" the Riffian tribesmen. One Spanish general, named Ros, was badly injured. Special correspondents in their dispatches say that the Spanish casualties totalled 27 killed and 105 wounded. The Riffians lost 400.
The Franco-Spanish negotiations on the question of Morocco are not advancing as rapidly as had been

expected. Spain is not willing to cede what France asks, and situation between the two countries is becoming worse.

In an interview published in L'Impartial, General Laque, minister of war, says French agitators are really responsible for the new Riffian uprising, which, curiously enough, broke out at the moment when the Franco-Spanish negotiations ended.

Concentration of Turkish and Arabian Force Going On

TRIPOLI, Dec. 29.—According to information gathered by airmen attached to the Italian army, and by scouting parties of cavalymen, the Turks and Arabs are concentrating in great force to the south of Ainsara.

The Italians send out frequent small parties to make scouting trips. The position of the Turks is the same from which they made their last attack which resulted in a severe fight lasting six hours and the retirement of the Italians.

MARSEILLES, Dec. 29.—A special

dispatch from a correspondent with the Ottoman army at Azizia in the Hinterland of Tripoli, says that many volunteers are being enrolled daily. The army, he says, is in excellent condition and possesses ample arms and ammunition, most of which has been captured from the Italians.

The leading spirit in the Turkish and Arabian camp continues to be Ali Fethi Bey, former Turkish military attaché in Paris, who was reported killed by the Italians.
